Quote: "I am incredibly grateful for the opportunity that this scholarship has given me to attend the university of my choice. For me, being a Dolphin Scholar encourages me to continue to pursue, adapt, and expand the goals that I have set for myself, as I figure out what I want to do with my education and skills. I know that there are people who are invested in my success, and I hope to exceed their expectations while upholding the high standards of the Dolphin Scholarship Foundation."
