Quote: "Being a Dolphin Scholar means that I am honoring the brave efforts of our servicemen and women by bettering myself through education. I have been honored to learn about the sacrifices made by my sponsor and her late husband. I am so grateful for the trials they overcame to help me on my path to becoming one of the many bright minds of my generation. With the help of the Dolphin Scholarship program, I am pursuing my dreams and gaining the knowledge I need for the real world."

Endowed Scholarship:

RADM Arlington F. Campbell Scholar
