## 2019-2020 Scholarship Policy and Guidelines

**To accept the USS Hampton Scholarship for 2019-2020, you must complete and return all required forms and supporting documents to Dolphin Scholarship Foundation.**

### **Scholarship Payments**

Payments will be mailed directly to the appropriate office of your college on August 1 (fall semester) and December 1 (spring semester) of each year. If your college requires payment prior to these dates, you must notify the DSF office in writing, including the date by which the check must be received. If there are changes in the scholarship amount, you will be notified in writing. Otherwise, the amount stated in the initial award letter will apply.

This scholarship must be credited towards your tuition and related college fees. Excess funds, if any, may be applied only toward room and board, but should be considered by you as taxable income.

**Scholars who also receive Post 9/11 GI Bill funds (Chapter 33). Due to the generous, all-encompassing nature of the Post 9/11 GI Bill, monies awarded by Dolphin Scholarship Foundation may only be applied to tuition and fees charges for scholars also receiving funds from this education benefit.**

Please be advised that inappropriate or unauthorized use of scholarship funds may result in suspension or revocation of your USS Hampton Scholarship.

### **Change of Status**

**Change of College.** You must notify DSF immediately in writing of any change in your choice of college or in your intent to continue your education.

**Change in Financial Need.** If your educational expenses are being fully met by other scholarships or grants, including the Post 9/11 GI Bill, please advise DSF immediately.

**Enrollment Status.** Dependent Children must maintain full-time enrollment status and a satisfactory academic record. Dependent Spouses and crew members must maintain a minimum part-time enrollment status (6 Credits per semester) and satisfactory academic record. If you do not maintain the required course load or if you are placed on academic probation or suspension, DSF may temporarily suspend your scholarship until good academic standing is regained. DSF may also revoke your scholarship at its sole discretion.

**Leaves of Absence.** Contact DSF in writing to request deferral of your scholarship during a leave of absence from college. An award may be deferred at the discretion of DSF.

**Study Abroad.** Requests to apply funds to study abroad must be made to DSF in advance. The study abroad program must be approved by your home institution and issue academic credits that are transferable to your college. Payment will only be issued to your home institution.

**Withdrawal.** If you withdraw from college, DSF must be notified immediately in writing. Any unused scholarship balance must be refunded to DSF. It is your responsibility to notify your school to return unused funds to DSF.

### **Cancellation**

The DSF Board reserves the right to cancel any scholarship based upon the Board's determination, in its sole discretion, that cancellation is in the best interests of DSF.
