Quote:

"Being a Dolphin Scholar means to me that all the continuous effort I have put into school and extracurriculars, has paid off. It is also going to allow me to continue school without stressing about money and getting more opportunities to truly focus on my schooling. When my sister went to college, she also received the Dolphin Scholarship, so it also feels like a way of continuing this in my family."

Endowed Scholarship:

VADM J. Guy and Mrs. Janet Reynolds
