Quote: "I am honored to receive the Dolphin Scholarship. I feel that a strong military upbringing has really prepared me for this opportunity at Nova Southeastern. I understand the competition for this scholarship was tough and I will not disappoint the committee or the men who wear the Dolphins. This scholarship lifts some of the financial burden and I am very grateful that I can put it to use on my journey to a Doctor of Pharmacy."

Endowed Scholarship:

CAPT Don V. Hahnfeldt, USN (Ret.) Scholar
