

DOLPHIN SCHOLARS IN THEIR OWN WORDS

“To me, Dolphin Scholars demonstrate character, scholarship, and, most importantly, service. They take what they learn and use it to better their communities on their college campuses, at home and within the Navy. I am proud to be able to honor my father’s service through this opportunity. I am thankful not only to him, but also the Dolphin Scholarship Foundation, and all of the donors for this incredible blessing.”

- **Gabrielle Goff**
Sam Houston State University

“To be associated with such a brave and proud community that is submarines is a humbling experience. As a military spouse and a Dolphin Scholarship recipient, it is my sincere goal to bring pride to my husband, an active-duty submariner, and our family. As my husband continues to serve our country, I will continue to support our community at home. I have committed over the years to providing only exceptional and empathetic patient care and continuing my education with the help of the Dolphin Scholarship will not only benefit myself but more importantly those around me.”

SIXTY YEARS OF SCHOLARSHIPS

Dolphin Scholarship Foundation was established in 1960 and granted the first award of \$350 in 1961 to John L. Haines, Jr.

As the cost of education continues to skyrocket, so does the need for the Foundation to assist students. Dolphin Scholarship Foundation grants are available, on a competitive basis, to high school or college children/stepchildren and spouses of members or former members of the Submarine Force or Navy members who have served in submarine support activities. Today, Dolphin Scholarship Foundation sponsors 114 ongoing scholarships with an annual grants ranging from \$1,500 to \$3,500 per student for two to four years of full-time undergraduate studies as well as students pursuing trade/vocational certification. DSF also awards scholarships to eligible spouses working toward their first undergraduate degree or trade/vocational certification. Approximately 25-30 new scholarships are awarded each year. Scholars are selected on the basis of academic proficiency, commitment and excellence in school and community activities as well as financial need. Since our founding over 60 years ago, Dolphin Scholarship Foundation has granted over \$14,000,000 to more than 1,500 outstanding students attending fully accredited universities and colleges throughout the U.S.

The foundation is funded through fundraising efforts, donations from submarine spouse events, private, corporate, and memorial donations.

DSF administers the following scholarships:
Laura W. Bush Scholarship, USS Colorado (SSN 788), USS Delaware (SSN 791), USS Hampton (SSN 767), USS Indiana (SSN 789), USS Nautilus (SSN 571), USS Washington (SSN 787).

“Being a Dolphin Scholar is an important accomplishment that recognizes my hard work and achievements. I am honored to claim this title and I will represent it throughout my future endeavors.”
